"I had the pleasure of having DJ E for one of our fashion shows in April. DJ E did such a great job of mixing current music with fun appropriate "fashion" tunes. He kept the crowd engaged & excited while making sure the music didn't stop! DJ E came into the venue not knowing what kind of system they had but was able to step in with ease to enhance our event with his music choices. He is kind, professional & very reliable. I can't wait to have him DJ our next event!"

"In 2016, DJ E volunteered at the annual 5280 Challenge, a regional track and field meet for youth and adults with a physical disability and/ visual impairment in the Rocky Mountain region. The event took place at Cherry Creek High School in Metro Denver. DJ E brought life to the event and an energy that didn't exist previously. His choice of music was appropriate for all. He was self sufficient with his equipment and enthusiastic to be a part of the event. I would recommend DJ E and invite him to join us annually."

"DJ E was the DJ for the 5280 Challenge Track and Field Meet on June 4, 2016. DJ E and his staff did a fantastic job and had a playlist that met the needs of our event. DJ E did a great job of keeping the music playing to motivate our athletes and his staff was willing to be our announcer. He had an excellent rendition of the National Anthem ready to play. As meet director I had numerous comments on how much the athletes enjoyed the music. We will definitely have DJ E back next year."

"We are so thankful to have DJ E as a partner. He performed at MDA Muscle Walk of Denver, one of our largest fundraising events, managing to keep the crowd entertained and dancing all day! DJ E did a great job coordinating with our emcee as we had multiple speeches throughout the event and created a fun and upbeat playlist, personalized for the event. Not only has he been a valuable part of our team but truly understands our mission and is always willing to help out in any way possible. Thank you so much DJ E for everything you do and for being a part of not only MDA Muscle Walk of Denver, but also many of other upcoming events."

“In 2016, DJ E DJ'd for our alumni dinner and was great to work with. He communicated with us every step of the way to make sure he had the right selection of music, and enough music, to keep our guests entertained throughout the event. DJ E took requests from guests and was very accommodating. DJ E was able to keep the guests entertained and dancing throughout the evening.”

"DJ E was a great addition to our annual Powder Puff football tournament! He got the crowd pumped up before the game, played music throughout and even DJ'd our award ceremony at the end. “It was a pleasure to have DJ E DJ our NFL Season Kickoff Party in the Fall of 2016. I was absolutely blown away with how well DJ E chose his music to reflect the situation in the game. His attentiveness to the game situation led DJ E to choose songs and sound clips that hyped up our guests like they were at the game themselves! DJ E was easy to work with and we were able to plan everything without a hitch. He is friendly, professional, and I'm fortunate to call him a friend since working with him. He has a bright future ahead of him as a DJ, and I highly recommend him for all tailgates, sporting events, and watch parties.”
